

Corporate Finance Advisor

Outline Job Specification

Background

Kingswood is a small progressive firm of Chartered Accountants and Corporate Finance Advisers located in Coldbath Square, London EC1.

The team consists of 2 partners, 7 trained/professional staff and 2 secretaries, working together in a professional but informal environment.

The Role

The Corporate Finance Advisor role involves working for one (or more) of the Partners undertaking a variety of corporate finance assignments.

Responsibilities and Duties

- acquisition searches for clients,
- reviewing investment opportunity approaches,
- analysing the financial profile of clients in order to assist preparing recommendations for capital structures
- providing on-going strategic financial support to selected clients,
- helping put together deal based advice and recommendations, and implementing those recommendations as agreed by clients.
- you will also be encouraged to seek your own business opportunities through developing you own contact network

The role of Corporate Finance Advisor offers a competitive salary, training and 25 days annual leave. After a qualifying period, BUPA Healthcare and a season ticket loan are available.
